wall and ceiling light

## 1. Product overview

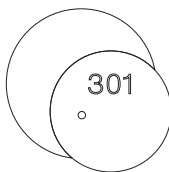

Metallic wall or ceiling-mounted fixture providing indirect, comfortable illumination. Its pivoting front plate allows flexible adjustment to suit various design concepts and lighting requirements. The ECL\_3700 version offers optional laser-cut signage, ideal for customized wayfinding or numbering in commercial and hospitality environments.

## 2. Finishes and Materials

74 White

### Optional laser-cut signage:

Available for the ECL\_3700 version  
Minimum order 18 units

## 3. Light Source & Dimming

### Lamping per head ECL\_3700 version:

LED 2x10W (2700K / Ang. 120° / >90 CRI)  
230V / Typ\* 2x870 lumens

\*Integrated LED module (included).

Weight: 4,5kg

### Lamping per head ECL\_3701 version:

LED 2x15W (2700K / Ang. 120° / >90 CRI)  
230V / Typ\* 2x1245 lumens

\*Integrated LED module (included).

Weight: 8,5kg

### Dimming options:

Standard: TRIAC

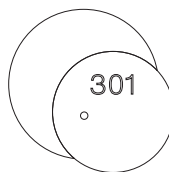

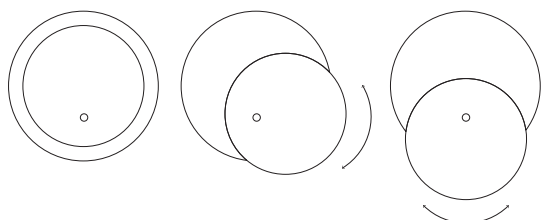

Optional: DALI

## 9. Maintenance & Cleaning

Our lighting fixtures are crafted with high-quality materials and finishes to ensure durability and timeless elegance. To maintain their original beauty, please follow these care recommendations:

1. Regular cleaning: Dust the fixture regularly using a soft, dry microfiber cloth to prevent buildup.
2. For deeper cleaning: If necessary, use a slightly damp cloth with clean water. Always dry the surface immediately with a dry cloth.
3. Avoid harsh products: Do not use alcohol, abrasive cleaners, solvents, or detergents, as they may damage the finish and alter the appearance.

In case of failure, LEDs can be easily replaced.
