(ENG) A collection that re-defines the cantilever lamp. The shade is poised at the end of a graceful extendable arch for the floor lamp. A variation on the theme for the ceiling version features an adjustable extendable rotating arm. (ESP) Una colección de lámparas con un brazo fino, curvado y extensible en las que la pantalla reposa elegantemente en un solo punto al final del arco, potenciando la imagen esbelta y la sensación de equilibrio. La versión de techo también ofrece rotación del brazo.
