EVY was created with the ambition to revitalize public spaces by seamlessly integrating lighting and greenery into a cohesive unit. In this way, space is optimized, and the practical function of the lamp is enhanced with added aesthetic and functional value. The name EVY was chosen carefully, as it means "life" and "breath," reflecting the fixture's purpose of promoting vitality and well-being.

Another notable feature of EVY is the user's ability to customize the lamp by selecting the plant, giving each lamp a unique expression and creating a personal connection to the product.

Whether used as a standalone piece or in groups, EVY fits perfectly into a variety of settings - from restaurants and offices to private homes - contributing to a more vibrant and inviting atmosphere.
