INFORMAZIONI GENERALI

- Passare regolarmente l'aspirapolvere a bassa potenza, per evitare che polvere e residui possano rovinare le fibre.
- Evitare l'esposizione continua e diretta al sole.
- Evitare di appoggiare mobili pesanti sul tappeto o mobili con angoli troppo accentuati.
- Per ogni tipo di macchia, si consiglia di tamponare immediatamente con un panno pulito per evitare che la sostanza penetri nelle fibre.
- Si consiglia il lavaggio professionale almeno una volta l'anno.
- Variazioni di materiale, forma, misura e colore fino al 5% sono da considerarsi normali e comunque dovute alla manifattura artigianale dei prodotti.

GENERAL INFORMATION

- Vacuum regularly with a low-powered vacuum cleaner, to prevent dust and crumbs from setting into roots of the fibers.
- Avoid direct and continuous exposure to sunlight.
- Avoid placing heavy furniture or element with excessively sharp corners on the rug.
- For any type of stain, it is recommended to dab immediately with a clean cloth to prevent the substance from penetrating the fibres. Professional cleaning is highly recommended at least once a year.
- Variations in material, shape, colour or size up to 5% are possible due to the craftsmanship of the goods.
